

2016 Class I & X Oklahoma Management & Safety Seminars

Jointly Sponsored by the L.P. Gas Administration, the L.P. Gas Research, Marketing and Safety Commission and the Oklahoma Propane Gas Association.

In 2016, we will again partner with Oklahoma CareerTech in conducting the Oklahoma Management Safety Seminars. This arrangement will benefit attendees as time and mileage costs continue to increase. The seminars will be three hours in duration, and there will again be multiple locations from which to choose. Presenters will be on-site at CareerTech in Oklahoma City and, utilizing videoconferencing technology, will simulcast the program to remote locations. Participants will use interactive equipment at each location to see, hear, and ask questions of the presenters. This technology allows us to reduce the cost to you but also requires that we limit class size; therefore, pre-registration is mandatory. Sites will be filled based on when registration forms are received.

THURSDAY, JUNE 30

8:15 – 11:15 AM

REGISTRATION FEE: \$45.00 IF ATTENDING THE SEMINAR ONLY. IF ATTENDING THE CONFERENCE, THE FEE IS INCLUDED IN THE CONFERENCE REGISTRATION PRICE.
